### COVER LETTER

---

Subject: Excited to Apply for the Associate/Analyst – Operations and Recruitment Position at Accuris

Respected Sir/Mam,

I hope you are doing well. I recently came across the **Data Transformation Analyst I** opening at **Accuris**, and I am excited about the opportunity to contribute to your team. With experience in predictive analytics and healthcare AI research, I am eager to apply my skills to support data-driven decision-making.

I have six months of experience analyzing complex data sets, with proficiency in **SQL, Python, Power BI, and AWS**. In my previous projects, I have optimized **ETL processes** using Python and SQL, improving data processing efficiency by **15%** and enhancing data integrity.

I have attached my resume for your review. I would love the opportunity to discuss how my skills align with your needs. Please feel free to contact me at **+91 - 9062681888** or **parthakrde@gmail.com** to schedule a conversation.

Thank you for considering my application. I look forward to the opportunity to speak with you.

Best regards, Partha Dey
